## **Appendix C: District 18 TBU Anti-Harassment Policy**

### **Anti-Harassment Statement:**

*Let us not take thought for our separate interests, but let us help one another.*

It is the policy of the Teachers' Bargaining Unit of District 18 that a member of OSSTF has the right to a workplace and union environment free from harassment and bullying.

Harassment and discrimination are not joking matters. They have a destructive effect on the workplace environment, individual wellbeing, and union solidarity. Such actions are not only destructive, they can be illegal.

Inadvertent, hidden and systemic harassment and discrimination must be identified and addressed. The roots of systemic harassment and discrimination include but are not limited to racism, sexism, and homophobia and transphobia. The District 18 TBU does not condone harassment or discrimination on the basis of age, national and ethnic origin, colour, religion, sex, gender identity, sexual orientation, race, socio-economic status or mental or physical disability.

Harassment and discrimination can take many forms and may be verbal, physical or psychological. They can involve a wide range of actions including comments, gestures or looks, pictures, messages, touching, or more aggressive actions. These actions may be indirect or overt; they may be isolated or repeated.

Acts of harassment and discrimination are always degrading, unwelcome and coercive. They are always unacceptable.

As members of OSSTF, District 18 TBU, our goal must be to protect human rights, to promote mutual respect and trust, and to foster inclusion. We cannot condone or tolerate intimidating, demeaning, hostile and aggressive behaviour against another member. We cannot condone these behaviours when we witness them. As OSSTF members, we must speak out against this conduct and stand together to protect human rights. We must take action.

OSSTF is committed to strengthening member solidarity, and in addition to representing members' interests in the workplace, takes seriously its own responsibility to ensure that members are treated with respect and dignity at all District 18 TBU sponsored events and meetings.

Any member who feels targeted by harassment or discrimination must be able to speak up and know their concerns will be responded to immediately in accordance with OSSTF Policies and By-laws and the Resolution and Complaint Procedure.

### **Resolution and Complaint Procedure**

A member who believes they have been the target of harassment or discrimination at a District 18 TBU meeting or event is encouraged to take immediate action to ensure this behaviour is stopped.

As a first step, the member should make it clear to the perpetrator that they find the behaviour offensive, and ask that it be stopped. This can be done personally, either in writing or verbally, or with the assistance of a third party.

If the behaviour recurs or persists, or if the member does not feel safe in approaching the perpetrator directly, they should speak with the designated anti-harassment officer(s) and ask them to act. If no anti-harassment officer has been designated, the member should speak with the Chair/President to ask that one be appointed.

The designated anti-harassment officer(s) will investigate the complaint promptly, including separately interviewing the parties involved and any witnesses, with a view to resolving the problem informally. During this process, the designated anti-harassment officer(s), with the approval of the Chair/President, may remove the respondent temporarily from the meeting if circumstances warrant.

The investigation shall be handled confidentially; however, all complaints will be reported by the designated officer(s) to the Chair.

If the complaint cannot be resolved informally, the complainant will be asked to put the complaint and all relevant information in writing. If the complainant chooses to provide such a written complaint, it will be submitted to the Chair/President to conduct an investigation, determine if the behaviour falls under the definition of harassment, and decide on appropriate remedial action. While conducting the investigation the Chair/President will be informed by an understanding of the systemic roots of discrimination and harassment as expressed in the OSSTF Equity statement. The parties involved will receive a written report stating the findings and any action taken.

Resolutions may include but are not limited to apologies, mediation, warnings, temporarily limiting access, or removal/exclusion from the meeting or event. If a decision is made to remove or exclude that member, and where this member is representing a branch, a confidential letter outlining the reasons for this decision will be sent to the president of the appropriate body.

Decisions may be reviewed by the Appeals Committee, who will consist of the TBU Executive excluding any member of the Executive who served as the anti-harassment officer and the Chair/President who was involved previously in the resolution process upon the request of a member.

The Chair shall forward all records and reports related to the investigation of written complaints to the TBU President to be kept for a period of five years.

None of the above restricts a member's right to file a complaint with the Ontario Human Rights Commission or make a complaint to police.

### **Appeals Procedure**

Members of D18 TBU affected by a decision resulting from a complaint under the District 18 TBU Anti-Harassment Policy may appeal this decision using the following procedure:

- Within 5 school days of the decision, the affected member (herein called the Appellant) may submit a request in writing to the Bargaining Unit President for an Appeal Hearing. In the event that the Bargaining Unit President is involved in the complaint, the appeal may be submitted to either Vice-President or a TBU Executive Officer for action.
- Within 10 school days of receiving the request, the Bargaining Unit President, or designate, shall call a meeting of an Appeals Committee as per the District 18 TBU Anti-Harassment Resolution and Complaint Procedure to consider the appeal.

- The Appeals Committee shall review the complaint, the investigation process and findings, and the decision.
- Following the review, the Appeals Committee shall either confirm or modify the decision.
- Within 5 school days of the meeting of the Appeals Committee, the committee shall report the decision on the Appeal to the Appellant and Bargaining Unit Executive in writing.
- The decision of the Appeals Committee shall be considered final and not subject to any appeal within the Bargaining Unit.
